Message from Hong Kong Squash

On behalf of Hong Kong Squash I have pleasure in welcoming all the overseas women and men squash players to the Crocodile Squash Challenge Cup 2010 that will take place at the Hong Kong Squash Centre from 27th to 31st October. The event is sanctioned by both Women's International Squash Players Association and the Professional Squash Association.

We are extremely grateful to our title sponsor Crocodile Garments for their continued support of this championship since 2005, being the ideal event to support both local and overseas aspiring players to gain valuable points to climb up the world ranking ladder. This particular event offers a good opportunity for our Hong Kong athletes to fine-tune their skills and game tactics in preparation for the coming Guangzhou Asian Games to be held in mid-November.

Hong Kong Squash thanks also the Leisure & Cultural Services Department for their funding and logistics support.

I wish all the players, spectators, officials and the media an enjoyable and exciting week of squash.

David Mui, MH
Chairman
